***Elliott + Associates Architects**

Michelle Jameson
35 Harrison Avenue
Oklahoma City, OK 73104
405.232.9554
mjameson@e-a-a.com
www.e-a-a.com

The design philosophy of Elliott + Associates is shaped from the theory that a space reflects the unique personality of the owner, coupled with functionality. They create special environments - architectural portraits - revealed as expressions of the client. Their success has come from their ability to create a specific and appropriate solution for each project. They do not do cookie-cutter design. Each project, like each client, is unique.

Exhibit Concepts, Inc.

Steven Lowry
700 Crossroads Court
Vandalia, OH 45377
937.890.7000
slowry@exhibitconcepts.com
www.exhibitconcepts.com/museum

Since 1978, Exhibit Concepts, Inc. has cultivated an outstanding reputation for fabricating, installing and maintaining quality exhibits for interpretive facilities, museums, and visitor centers throughout the United States.
