Annual Report
for the fiscal year ending June 30, 2019

We love our OMA members and friends! As you read this annual report, please know that we appreciate the many wonderful supporters who help us succeed in our mission to assist Oklahoma museums with their efforts to educate, inform and entertain.

FY2019 was another fruitful and wonderful year serving Oklahoma’s 500+ museums. At OMA, we make our decisions based on our strategic plan, which you can view here. Our strategic plan places Oklahoma museums and Oklahoma museum professionals at the very center of everything we plan and do.

Our success is due to the many relationships and partnerships we have developed since 1972. We continue to nurture relationships with with over 100 organizations and agencies in our state and around the nation. Collaboration is so important to us and to our Oklahoma museums.

Two new collaborations for FY19 included the Oklahoma Center for Nonprofits, where museums receive a substantial discount for participating in the Standards for Excellence which teaches 79 benchmarks for nonprofit best practices, and Oklahoma Today. All OMA institutional members now receive Oklahoma Today magazine as part of their membership benefit. Even better is that Oklahoma Today hopes to develop deeper relationships with Oklahoma museums to enhance the magazine and online content, and drive visitors to Oklahoma museums through the exposure.

A few professional development highlights for the year include a thought provoking OMA conference keynote by Brian Crockett, Solutions Without Problems; Active Shooter Training for Museums; Storage Solution Brainstorming followed by a M!X Networking Event at Museum of the Red River in Idabel; Museum Night at the OKC Blue; Museum Education Planning for the Future and so much more.

We look to the future with excitement. An OMA Program Audit by a professional evaluator is currently in the works. Additionally, we are promoting the Oklahoma Historical Society Preservation Grant Program, contributing to Self-Care at the Happy, Healthy Museum, and exploring a Museum Mentor program as a result of the recently completed Small, Rural and/or Isolated Museum Community of Practice.

As usual, we continue to be a transparent organization and are happy to continue involvement in GiveSmartOKC, a service of the Oklahoma City Community Foundation and Candid. Want to know more about OMA's financials, governance and policies, take a look at our GiveSmartOKC profile here.

Thank you for being a part of the Oklahoma Museums Association. Your support and involvement means the world to us.
Thanks to our many members and supporters during FY2019!
