Registration Information

The Oklahoma Museum Conference is planned as an in-person event held September 15-17, 2021 in Shawnee. We understand everyone may not be able or ready to attend in person, but you can still register and access great content! Conference registration includes the in person event AND on-demand access to the virtual conference website September 20-October 3. On-demand content features select conference sessions as well as additional bonus material not presented at the conference. We look forward to seeing you - whether it is in person, virtually, or both!
