EMERGENCY FUNDING RESOURCES

Federal Emergency Management Agency Public Assistance Program

Eligibility: states, tribes, local governments, and certain private nonprofits in Presidentially declared disaster areas; FEMA Collections and Individual Objects Policy may provide funding for damaged collections and objects

Eligible Activities can include: removal or relocation of collections to prevent damage or loss; repair, replacements (though not of unique or special collections), or restoration projects that resulted from a declared disaster, located within a designated disaster area; equipment and furnishings of facilities are eligible for replacement, including materials associated with the storage, display, preservation, or exhibition of collections and individual objects; costs associated with restoring an item to pre-disaster (but not original) condition.

FEMA's Public Assistance Program Policy Guide

National Disaster Recovery Fund for Archives- Society of American Archivists Foundation

Eligibility: Any repository that holds archival records or special collections is eligible to apply for a grant. The repository need not be a member of SSA or SAA.

Eligible Activities: Grant monies may be used for the direct recovery of damaged or at-risk archival materials; such services as freeze drying, storage, transportation of materials, and rental facilities; supplies, including acid-free boxes and folders, storage cartons, cleaning materials, plastic milk crates, and protective gear; and to defray the costs for volunteers or other laborers who assist with the recovery.

Guidelines and the application
