

ANNUAL REPORT

FOR THE FISCAL YEAR ENDING JUNE 2022

A Letter from Brenda Granger, OMA Executive Director

On May 24, 2022, OMA celebrated 50 years of serving Oklahoma museums. Wanting to remain relevant and important to Oklahoma museums, OMA undertook a strategic planning process which involved the OMA membership, non-members, supporters, board members and more. The new 3-year strategic plan was adopted by the OMA board of directors in June 2022, to be implemented for FY23-25. You can read the plan on our website at OKMuseums.org.

We are grateful for the 500 Oklahoma museums that we get to serve on a daily basis and all the wonderful staff, paid and unpaid, that works so hard on behalf of their missions. We also are grateful for the many OMA members, donors, supporters, partners and sponsors who are so generous to OMA which allows us to continue our good works. It takes around 850 of the aforementioned to help us achieve our mission, to assist Oklahoma museums with their efforts to educate, inform and entertain.

OMA wants to empower Oklahoma museums and in turn, we also believe museums empower their communities. Our vision is to be a national model for state museum associations that encourages Oklahoma museums to develop and realize their full potential as essential, vital, and transformational components of their community.

OMA is the primary provider of professional development and training to staff and volunteers of Oklahoma's 500+ museums, historical societies, historic sites, zoos and botanical gardens, historic houses, living history museums, tribal cultural centers and other museum-related institutions. Throughout the year, OMA offered important programs and training. A few highlights include:

Leading in an Emergency: Skills for Strong Organizations – a project offering a webinar series on Mindful Leadership in Times of Crisis and Emergency Preparedness workshops in partnership with Oklahoma Department of Libraries with funding from the Institute of Museum and Library Services American Rescue Plan Act of 2021 (ARPA)

Museums Serving the Military with support and partnership of the Oklahoma Arts Council and National Endowment for the Arts

Capacity Building Initiative as part of the Oklahoma Museum Conference in partnership with Oklahoma Humanities and National Endowment for the Humanities.

OMA loves to advocate for Oklahoma museums at the US Capitol and the Oklahoma Statehouse. One of the biggest accomplishments in FY21 was the Oklahoma legislature passing and Governor Stitt signing into law SB909 that allows 501c3 Oklahoma museums with budgets less than \$1 million to be exempt from paying sales tax on sales of tangible personal property or services to a museum. We continue to encourage eligible museums to apply for this tax exemption, and are currently working to extend the sunset on this important legislation.

We continue to be a transparent organization and are happy to continue our involvement in GiveSmartOKC, a service of the Oklahoma City Community, where you can learn about our financials, governance, and policies. OMA is grateful for the many supporters and the federal emergency funding that allowed us to be financially stable.

On behalf of OMA, Oklahoma's museums, and the communities they serve, thank you for being a part of the Oklahoma Museums Association. Your support and involvement are so important to us and the 500 Oklahoma museums we serve. We look forward to the next 50 years and hope you will be a part of it.

EDUCATE. INFORM. ENTERTAIN.
