

ANNUAL REPORT

FOR THE FISCAL YEAR ENDING JUNE 2023

A Letter from Brenda Granger, OMA Executive Director

I am pleased to present the Annual Report for the Oklahoma Museums Association (OMA) for the year 2022-2023. As we reflect on the past year's accomplishments and challenges, we are reminded of the resilience, dedication, and passion that define our association and the museum community as a whole.

A YEAR OF COLLABORATION AND GROWTH

Throughout the year, OMA continued to foster a spirit of collaboration among our member institutions. Our networking events, workshops, and conferences provided valuable opportunities for professionals and enthusiasts from various backgrounds to come together, share ideas, and learn from one another. The OMA community expanded through new memberships, demonstrating the increasing recognition of the importance of museums as hubs of education, culture, and community engagement. By ensuring that our museums are welcoming and accessible to all, we contribute to a more vibrant and connected society.

ADVOCACY AND SUPPORT

OMA continued to advocate for the interests of museums at the federal, state, and local levels. We actively engaged with policymakers to emphasize the vital role that museums play in education, tourism, and economic development. Our advocacy efforts helped various museum initiatives and ensured that the voices of our members were heard and valued.

ENGAGING AND INNOVATIVE PROFESSIONAL DEVELOPMENT

Our commitment to providing enriching experiences for the Oklahoma museum community remained strong. OMA organized a range of innovative programs and events that reached diverse audiences.

Professional growth remained a cornerstone of our association's mission of "Empowering Oklahoma Museums." OMA offered an array of professional development opportunities, including seminars on best practices in museum management, emergency preparedness, and fundraising. The Oklahoma Museum Conference, a highlight of our year, brought together experts to share insights, explore new trends, and inspire our members to push the boundaries of excellence.

FINANCIAL SUSTAINABILITY

I am pleased to report that, despite the challenges posed by the pandemic, OMA maintained its financial stability. This was made possible by the unwavering support of YOU, our members, sponsors, and partners. We continue to be good stewards of the resources entrusted to us, using them wisely to further our mission and support our members.

LOOKING AHEAD

As we move forward, OMA remains dedicated to advancing the museum field in Oklahoma. We will continue to explore new avenues for collaboration, seek innovative ways to engage and advocate for the continued recognition and support of Oklahoma museums.

In closing, I would like to express my heartfelt gratitude to our members, partners, board of directors, and the entire OMA team for their exceptional dedication and hard work. Together, we have achieved remarkable progress in the past year, and I am confident that the coming year will bring even greater accomplishments.

Thank you for your continued support as we work to make a lasting impact on our communities through the power of museums.
